Dear Parent / Carer,

At the beginning of Term 2, from the 28 April 2014 your child will progress from studying the Preliminary HSC course to study of the HSC course in three subjects.

This progression will be dependent on satisfactory completion of their current Preliminary courses.

Students causing concern will have received ‘N’ award warning letters in the mail advising of the tasks to be completed for the problem to be corrected.

Attached to this letter is a list of mandatory textbooks for HSC courses to be delivered to Years 1.1 and 1.2 students at Rouse Hill High School from the beginning of Term 2, 2014. Courses not listed do not require purchase of a textbook.

In an effort to facilitate the most economical price for text books for our students we are offering to make a bulk order through the school to our supplier on your behalf.

Please indicate on the attached form which textbooks you would like to order. There is a payment slip on the rear of this form detailing payment options.

Forms and payment must be returned to the schools Administration Office no later than Wednesday 19 March.

Any orders received later than 19 March will be unable to be processed as the school will compile orders received and make a bulk order the following day. This will allow time for the textbooks to arrive prior to commencement of the HSC courses.

If you would like to discuss this matter please contact me on 9836 1890.

Yours sincerely

Mathew Rafton
