YEAR 7 2013 INFORMATION SESSIONS

At Rouse Hill High School we believe school should be a place where students have the opportunity to excel and achieve their personal best through outstanding teaching and learning practices in a safe, happy and encouraging environment. Participation in co-curricula opportunities is essential if we are to make Rouse Hill High School a great place to learn, a place where students want to achieve.

We are able to achieve our goals because we have a professional, committed and enthusiastic staff. They deliver a quality classroom product each day, focusing on quality teaching, high standards and knowing each individual student. Their role is to provide an excellent learning environment for all students.

An integral part of the school community is our highly supportive and involved parent group and we work together by implementing our ethos of collaboration, teamwork and consultation. As the local high school supporting our partner primary schools of Rouse Hill, Ironbark Ridge, Beaumont Hills and Annangrove, we are developing a strong learning community, with the aim of producing a seamless K - 12 education for your child.

We are very pleased to acknowledge the academic achievements, sporting successes and cultural participation of our students so far. As a small high school, we know we have room to grow and develop, and each year we add to the experiences we offer to students.

Being a new and developing school, we are still quite small, with approximately 570 students in years 7, 8, 9, 1.0 and 1.1 in 2012. If you would like to grow with us, contribute to the development of the school, please attend one of our information sessions to learn more about our school and how you can join our school community.

In 2012, Rouse Hill High School invites prospective parents of year 7 students in 2013 to attend a small group information session to learn more about our school and the enrolment process. We are very proud of our school and the way it works on a daily basis. As you can see below, two of the sessions are during the school day to enable you to see us in action. Please register for the session time that suits you. **Spaces are limited to 50 per session.**
