July 16 2014

Dear Parents and Carers,

A subject selection booklet for Stage 5, 2014/15 was issued with the recent report package. The booklet contains detailed information regarding the mandatory subjects of English, Mathematics, Science, Human Society and It’s Environment and PD/H/PE as well as the elective subjects.

All Year 9 students at Rouse Hill High School in 2015 will have the opportunity to study three electives. Two of these electives will continue into Year 10. Information about each of these electives, as well as the required subject fees, is detailed in the booklet.

An Expression of Interest form will be distributed at the Subject Selection Evening on Monday 21st July. This is to be returned to the Administration Office by Friday 25th July 2014 detailing the top 3 elective choices for the 100 and 200 hour courses. If you are unable to attend the information evening, forms can be collected from the Administration Office from Tuesday 22nd July.

We encourage you to take the opportunity to speak to the teachers at the subject information night, beginning at 6pm in the school hall, to help you make an informed decision about the elective subjects on offer.

Regards

Richard Medcalf
Relieving Deputy Principal
